

**Anube Sport America**  
**Is now taking orders for their**  
**Assembly Kits & Bracket for Stella III Unit**

**These are required to be installed prior to the 2018 SCORE 50th Baja 500**

**The installation of the Assembly Kit & Bracket for the Stella III Unit will be required for all SCORE INTERNATIONAL races.** The Stella III Unit is a **rented** tracking & safety device that you will receive at the race as part of your race entry fee. The Stella III Unit must be returned after you finish the race otherwise you will be charged full retail for the unit. You are also responsible for all damage to the unit, you can purchase insurance on the unit directly from Anube for \$35. This will protect you from any damage costs but not the failure to return the unit. **Return address: Anube Sport America: 641E. San Ysidro Blvd.#B3-1258, San Ysidro, CA 92173 email tracking number to jarballo@anube.es so they know the unit is on its way and do not charge you for it.** Otherwise, return it at the finish line.

In order for the Stella III unit to be installed an Assembly Kit & possibly an optional bracket must be purchased from Anube Sport America and is must be a installed to operate the Stella III Unit. To order the "Assembly Kit & Bracket" visit;  
<http://www.anubesportamerica.com/shopping-on-line/>

**You will have to scroll down the purchase page to the product(s) you want to order, (it should have 2 antennas, wiring harnesses, hardware, and a base bracket, like the picture below).**

**CAUTION - Do not order the Pacote Sertoos - 2018 for \$705. This is device is not needed to run SCORE events.**

**Add to your cart: KIT ACCESSORIES STELLA III**

Picture below is an Assembly Kit & Bracket that you purchase and must install on your vehicle/moto/quad:

**Note:** Mounting hardware for the Stella 3 bracket (image #1) is not included, Anube recommends that you use a flat head screw in order to not damage the Stella 3.

- 1. Bracket**
- 2. Iridium antenna**
- 3. RF antenna and cable**
- 4. Power cable**
- 5. Clamping kit**
- 6. Sticker**

- **Before purchasing the optional bracket kit shown below, contact Anube if you are unsure that your four wheeled race vehicle will need it. Motos and quads will not need this kit.**

Pictured above is the optional Bracket for 4-wheeled vehicles. This bracket is not designed for Motos or Quads. Stella mounts for bikes are available from different manufacturers; you may also fabricate your own moto mount which will be pending Anube staff approval.

**Once you made your selections: click VIEW CART**

You will be given two options, **Proceed to Checkout** or **Checkout with PayPal** (Note: PayPal can convert to English or Spanish for your convenience), the **Proceed to checkout** is also in English.

**In the Proceed to Checkout option:** There is a Note section in the upper right, add any shipping/delivery instructions in that text box. Make sure to select the “create an account” box if this is the first time you have purchased from Anube. Create a password for future transactions. Follow the checkout process and enter your credit card information, once you have finished the website will let you know your purchase was successful. Please note down your order confirmation number and check if you have received an email confirmation as well. If you have these last two you can confirm shipping date with Jorge Arballo at jarballo@anube.es.

**In the PayPal option:** Remember to indicate your billing address and your shipping address even if they are the same.

Shipping dates for the upcoming Baja 500 are 4/23, 5/7, 5/14, 5/21. No orders will be accepted after 5/18.

Be sure to watch the [Stella III User's Manual](#) on the SCORE website as well as the [installation instructions](#) for the Assembly Kit & Bracket Kit. You can find these items on the Race Info page under SCORE Tracking.
