

## Racer Information / Updates

- **2019 SCORE In-Class Start Order Policy** is posted on our SCORE Race Info page.
- **2019 Class Start Order Sequence** is also posted on this SCORE Race Info page.
- **All Sportsman classes and Classes 9 and 11** will compete on a modified mileage course for all 2019 events. This will provide these classes a better opportunity to finish within event time limits. Separate GPS files will be available for this modified course for each event.
- **New Pro Stock UTV** class has been added for 2019, and Sportsman Stock UTV NA and FI classes are now combined into one class. Vehicles are based on production “showroom stock” models with modifications required for safety equipment and also specific clothing stipulations. Refer to the new and revised Stock class UTV rules in our on-line Score Rule Book.
- **Registration Reminder** – The deadline to register online for inclusion in the race program is 8:00 pm on March 17th. Entries after this deadline will not appear in our race program! Online entry remains open until 8pm on March 26th. Be sure to register your team and each co-driver/co-rider or navigator. Each individual must also purchase a membership on-line and be registered for the race.
- **Alternate Driver or Rider** - Any racer planning to request an alternate driver or rider related to a schedule conflict for San Felipe must do so prior to submitting your race entry. The Alternate must be pre-approved by SCORE and the entry must be in the name of the alternate. Submit requests to [Christine@score-international.com](mailto:Christine@score-international.com). Name of alternate will appear on entry list and in race results. Points will be awarded to the driver/rider of record.
- **Reminder...** All Moto and Quad riders - A rear-facing, hi-intensity flashing red LED backpack or helmet light is required. Refer to Rule Book CR18 for more information.
- **Chassis Inspections** – Vehicles not having raced SCORE previously, new builds, and any chassis with expired tags must be inspected **BEFORE** San Felipe weekend. Absolutely **NO** inspections will be done on Tech/Contingency days! Call (619) 572-8245 now for appointment.

## Baja 500 Planning

- **Just Announced...** The 52nd Annual Baja 500 will start and finish at the Estero Beach Hotel and Resort south of Ensenada! All Registration, Contingency, Tech Inspection and Awards will also be located at the Estero Beach facility.
