Controlled Access Areas – Actions and Compliance

Driver or Rider of Record is responsible for the conduct of all persons registered for their team including all essential team personnel. This includes 100% adherence to all Health Measures of the Bio-Security Protocols while in controlled access areas. Teams found in these areas with any member not complying with the Bio-Security protocols will be penalized 15 minutes for the first occurrence and will be disqualified (DQ'd) if a second infraction of the protocols is observed.

RETURNING YOUR STELLA III EVO and SPICA Devices

EXTREMELY IMPORTANT - Participants finishing the race in the allotted time must make sure that the Stella III EVO and SPICA tracking devices are turned into STELLA representatives immediately after crossing the finish line. Failure to turn in the Stella III EVO and/or SPICA device will result in your entry being assigned a DNF and you will not receive placement or finish points. All competitors that DNF must return the Stella III devices to STELLA personnel who will be located at the finish line. If not returning through San Felipe, you must ship devices direct to Stella. **Shipping instructions are on the Anube Lease Agreement Form you signed to lease the Stella III device for the Baja 1000. Devices must be received at Stella by Monday, December 6, 2020.**

Any racer who finishes this event without a Stella III device for whatever reason will be declared a DNF, and will not receive placement or finisher points.

➔ **IMPORTANT NOTE:** Tampering with or covering these Stella devices in any manner will result in an automatic disqualification (DQ)!!!

A Driver or Rider finishing within the **40 Hour Time Limit**, but who exceeds this time limit when penalties are added will be assigned a DNF and will receive only start points and no placement or finishing points.

SPEED ZONE PENALTIES are assessed for exceeding the speed limit in any zone indicated on the GPS files and Course Notes. Zones, speeds and data points are listed below. If you are speeding in controlled speed zones you will receive time penalties. **Not good!!**

SCORE Stella III EVO devices collect approximately 20 data points per mile or one every 3 seconds to determine speed violations in controlled speed zones. A penalty will be assessed for each data point that exceeds designated MPH speed limit for each speed zone.

➔ **Time Penalty is 9 seconds for each mile per hour over Speed Zone Limit at each data point.**

For example: Maintaining the maximum speed of **60 mph** you will travel 1 mile in 1 minute.

- If you travel **61 mph** for one mile, your average speed with a 180 second penalty will be **20 mph**.
- If you travel **62 mph** for one mile, your average speed with a 360 second penalty will be **10 mph**.

➔ **For Special VCPs Letters “A”, “B” and “C”, the maximum distance is within 40 FEET. Failure to clear a Special VCP is also 10 MINUTES.**

MAJOR COURSE DEVIATIONS

Time penalty increases for large deviations where your position on course is improved by course cutting. You will be penalized an additional 10 minutes per mile. In order to avoid confusion regarding the locations of the VCPs, it is essential to race using the official GPS course file and check for updates under RACE INFO on our SCORE website

CHECKPOINT CLOSING TIMES - MOTOS AND QUADS - You **MUST ARRIVE** at each checkpoint before closing time. If you are late **AT ANY CHECKPOINT**, you will be stopped and your race is over! Failure to stop as directed will result in disqualification and no points. Refer to Racer Brief for projected close times.

Check One closing times are extended ONE (1) hour in case you encounter problems early in the race.

El Socorro

Ck 2 – Rm 407.95
