IRC TRACKING REQUIREMENTS

All classes are required to utilize IRC tracking devices.

All Four Wheel Vehicle classes are required to utilize the Iritrack real time tracking device.

Motorcycle & ATV classes are required to use the Recorder device. This device is NOT a real time tracking device, but a battery operated self-contained wireless unit used for post-race tracking analysis.

Motorcycle & ATV classes have the additional option of purchasing the new E-Track device in order to obtain real time tracking. This device is also a battery operated self-contained wireless unit.
