

TO: SCORE Racers
FROM: BFGoodrich Tires (Frank DeAngelo)
DATE: February 18, 2013
SUBJECT: BFGOODRICH RACE & TIRE SUPPORT AT ALL SCORE RACES

Greetings everyone,

BFGoodrich Tires will once again provide on-site tire and race support at all SCORE races. **Please pre-register for Pit support and to receive the USR file of the race course.** You can pre-register for all races by signing up on line at www.rhlcomm.com or by down loading the pit registration form from the SCORE website. GPS USR files will be send out with in three days of pit registration once the race course is open for pre-running.

BFGoodrich Tires will be on site at contingency providing tire mounting services and then move out to the desert for Pit Services. At San Felipe, we will be pitting at Race Mile 148.42. The pit meeting will be at **noon in contingency at the BFGoodrich Truck.** Please make arrangements with your fuel supplier to deliver fuel to our pit location unless you have made other arrangements. We will provide any last minute details or information as well as hand out map booklets. We can also haul any of your spare tires or parts out to our pit location.

For the Tecate SCORE San Felipe 250, Baja 500 and Baja 1000 BFGoodrich will do pre-registration for pit support. You may sign up on line at www.rlhcomm.com or by downloading the pit registration form on the SCORE website. GPS plot trails will be sent out within three days of pit registration once the race course is open for pre-running.

To order BFGoodrich Race tires, decals, or uniform patches please call 1-800-racebfg (722-3234).

Good luck this season! We look forward to seeing you at the races and at the finish line!

Your friends at BFGoodrich

SCORE San Felipe Pit Registration

1. You must have someone present at our pit meeting (see schedule above). We will distribute a map and other information in "booklet" for this event.
2. Each team must make their own arrangement for fuel pickup and delivery by fuel companies. We will not be held responsible for any leftover race fuel.
3. All your spare tires and parts must be marked with your vehicle race number. You may retrieve your spares at the pit location or a location Saturday evening TBD – more information at the pit meeting.
4. Please check the fuel filler on your race vehicle to ensure it is 3" outside diameter and that it sticks out a minimum of 1-1/2 inches (longer is fine). If this is not the case, please make adjustments prior to this race.
5. Please mark your wheels with your lug nut size. This will allow us to expedite tire changes.
6. BFGoodrich® Radio Relay will support this event with a series of mountaintop relays all along the race route and satellite telephones. We will operate on two frequencies during the event: BFGoodrich Main 153.395 - Pit frequency & 151.715 - BFGoodrich Relay.
7. GPS USR files will be sent out after your pit registration is accepted.
