

Returning Stella III Devices

At San Felipe 250 Finish Line in San Felipe:

EXTREMELY IMPORTANT - Participants finishing the race within the allotted time must make certain the Stella III Device is turned into STELLA III tracking personnel immediately after crossing the finish line. *If you do not return the device at the finish line, you will be scored as a DNF.*

NOTE: All competitors that DNF should arrange to return the Stella III Device to Stella III Tracking personnel located at the finish line. Devices can also be returned to the Anube tent in Start/Finish area Sunday morning from 5:30am until 12 noon.

If you will not be returning through San Felipe:

All competitors that DNF and will not be returning through San Felipe must arrange to return the Stella III Tracking Device to the Stella III facilities shown here.
