

Access at Estero Beach

The Estero Beach start/finish area will have viewing grandstand areas that are open to the public. All race participants, family, friends, team sponsors, team managers, pit and chase crew individuals are invited to use the grandstands. This area will not require any waivers or special wristbands.

Race Participants (drivers/riders, co-drivers/co-riders, and navigators) - Only registered Race Participants will have access to the Start/Finish area at the Baja 500 track. When you have completed your section of the race course, **do not take your band off**. You will need it for entrance into the finish and controlled access interview areas. There will be no access at the start of the race beyond the gated entrance to the course.

Team Support Individuals

Team managers, pit and chase crews, team sponsors and family members

Each team may request up to ten (10) wristbands for Team Support Individuals allowing access to the interview area following your finish. SCORE highly recommends each team print, sign, and bring Controlled Access waiver forms to Registration. This will make for a more enjoyable experience for all your Team Support Individuals.

Waiver forms are available in English or Spanish on the Score Website, select Race Info, Baja 500 logo, and scroll down to Waivers. Click on Waivers and select the waiver titled **Controlled Access Area**. For anyone under the age of 18 you will also need to print the **Minor Waiver** form. (Forms will also be available in the Ensenada office.)

Have each person read and sign the waiver form and also complete the minor waiver form for each person under 18. Bring the completed waiver forms to on-site registration to obtain your wristbands. All the signatures must be original, you cannot have one person write down and sign for everyone. When you present the waiver form(s) to Registration, if any signature looks like it is not original, you will not receive a band for that person. A parent must sign for anyone under the age of 7.

SCORE Registration staff will be at Estero Beach near the interview area on race day for Team Support Individuals to sign waivers. Allow a minimum of 1 hour before your team finishes to get bands at the interview area. If you wait until your team is finishing you may miss them in the interview area.

All Team Support Individuals over the age of 12 must show a picture ID at the entrance along with your wristband.

Team Media - Individuals who are doing media coverage for a team must register as Media and work with Dominic Clark to obtain wristbands and identify what areas they can shoot from. Team Media credential requests must be submitted by 8pm on Saturday, May 18th. There will be NO LATE, on-site registration. To request a media credential, go to the SCORE website and select Media from the Baja 500 menu.

***Thank you for choosing to race with SCORE
