

Class Descriptions

Trucks • Cars • UTVs • Motos • Quads

Following are brief descriptions of each SCORE competition class. In addition to General Regulations and Competition Regulations sections that apply to all classes, specific information for each class will be found under the respective class listing. Each individual class listing provides information on regulations that pertain to that particular class, and supersedes class sections in the General and Competition Regulations

No. Range	Truck Classes
1 - 99	Trophy Truck® - Unlimited Unlimited engine displacement and suspension. Custom built tube chassis, and powered by highly modified 850 HP engines. Forced induction allowed. Two or four-wheel drive.
1L - 99L	Trophy Truck® Legends - Unlimited Class for Drivers 50 years of age or older Same vehicle specifications as Trophy Truck Unlimited (above).
200 - 299	Trophy Truck® Spec Similar in design and construction to Trophy trucks utilizing high performance sealed stock or "crate" engines. Sealed Spec engines only. Must be two-wheel drive only with solid rear drivetrain.
300 - 399	Class 3 Short wheelbase 4x4 vehicles. Must be based on production vehicle available and sold to general public.
700 - 739	Class 7 Unlimited four-wheel vehicles. Vehicles must have a production appearing truck or SUV body. Naturally aspirated engine limited to 4.5 Liters. Forced induction engines are limited to 3.5 Liters unless noted. Engines must have a maximum of six cylinders. Engine must be of the same manufacture as that of the body. All factory forced induction engines must be sealed.
700F - 739F	Class 7F Two or four-wheel drive mini or mid-sized pickup. Limited to 4.5L normally aspirated engines and 3.5L Forced Induction engines. Manufacture body, engine and chassis must be retained. Production vehicle based (5000 units produced in 12 mos. period) and available and sold to general public. Must be marketed as mini or mid-size pickup.
740 - 759	Class 7sx Two or four-wheel drive mini or mid-sized pickup. Maximum engine size 4000 cc. Must be based on production vehicle (5000 units produced in 12 mos. period) and available and sold to general public. Must be marketed as mini or mid-size pickup.
800 - 899	Class 8 Full-size two-wheel drive truck or SUV. Engine must be same manufacture and same number of cylinders as original vehicle. No limit on displacement.
1350 - 1399	Pro Truck Trucks built to specific Pro Truck specifications. Choice of V8 powerplants. Truck must have same appearance as powerplant.
4400 - 4499	Hammer Truck Unlimited Rock crawler type vehicle. Purpose or custom-built chassis. Must be 4-wheel drive with transfer case and capable of operating in 4WD.
4500 - 4599	Hammer Truck Limited Rock crawler type vehicle. Based on production type vehicle. Must be 4-wheel drive with transfer case and capable of operating in 4WD.
8000 - 8099	Heavy Metal Class open to all mini, mid and full-size pickups and SUVs. Must have stock appearing body. Engine does not have to match body. No limit on engine displacement.
